## Purpose of ministry in condition of war

- ▶ As a church and believers of Jesus Christ we want to bring positive changes in our society in awful situation of war in Ukraine.
- ▶ We help people in their dire needs, save their life and bring the hope.

## Two directions of ministry

1. We support financially our pastors and church members in hot spots war. It is 3 main locations: **Kyiv, Kharkov, Poltava.**

They can buy food and water in closest locations. We started to deliver food bags for them as post service (3-5 days).

## Two directions of ministry

2. We host about **200 refugees** daily in Western Ukraine.

We have **4 active shelters** now - one in **Lviv**, two are in **Uzghorod** and one is in **Kamyanitsa**. Almost all of our shelters are based in church buildings. Just one of it is in the secondary school.

It is for 6 families in Kharkov, 4 families in Poltava, 7 families in Kyiv. We spend 850 \$ for each five days.

2. We spend about 10 \$ per person daily in our shelters. It includes food, water, transportation from train station and to border with Poland, Slovakia and etc.

As we have about 200 people daily in all four our shelters, our expenses is around 2000 \$ per day.

# Our prayer requests:

- For victory and freedom of Ukraine.
- For security of people in hot spots.
- For peaceful sky under Western regions of Ukraine which host millions of refugees.

Thank you for prayers and support!
